

Pyareo Home

Dear Pyareo Supporters,

We are pleased to announce a unique and wonderful opportunity to enhance Pyareo's financial picture, while at the same time accessing some great works of art for your home or to give to a loved one.

The art is the work of Jonas Gerard who is known nationwide for his colorful and inspirational compositions. Jonas has graciously extended an offer to help benefit Pyareo Home and to thank you all for your continued support.

Through February 15, 2012 any art purchased at the Jonas Gerard website using a special discount code will result in a 20% discount to you. Pyareo will receive a gift equal to 100% of the resulting price of each patron's purchases up to a combined total of \$10,000.

Visit www.jonasgerard.com to view his artwork and learn about the spirit in which it was created. In addition to the artwork, you will find videos and more to give you the complete picture. There, you may pick out any work of art on the site (in a variety of subjects and sizes) including paintings, sculptures, tiles, digital prints and mixed media.

When you go to purchase, enter "pyareohome" in the coupon code box

IMPORTANT: Only by entering this code will the discount be activated and your sale applied to the gift to Pyareo. Also note that there is a shipping charge associated with your purchase, which does not become part of the donation to Pyareo.

Jonas, as you may know, was one of the earlier residents at Sant Bani Ashram in New Hampshire. The studio he built there has long since become the central gathering place of the students and Sant Bani School. Since the early days of Pyareo, he has been an enthusiastic supporter, and some of his work hangs in the courtyard.

This is a great way to share in the experience of his art and at the same time give a boost to our cause. We thank you for all your support, and wish you a peaceful and productive new year from the Pyareo board of directors.

Best Regards,

Peter Bacon
